

Solar System Model Project

Your task is to make a model of the solar system! You can make it out of Styrofoam balls, paper mache, or paint it on a Bristol board. Be creative!

This project is due on Friday, Jan. 8, 2015.

You must include the following:

	Check if completed
The Sun	
All eight planets made according to size and colour	
Asteroid belt	
Earth's moon	
Labels for everything	
Information on: <ul style="list-style-type: none">- Composition- Orbit time- 2 facts	
Put an information card next to each planet/object	
Your name	
Bibliography
